RE: **DDRS to Host Two OASIS Invoicing Tool Webinars on February 4 and 5, 2009**

To demonstrate the use of the mandatory Residential Habilitation Services (RHS)invoicing tool for the Objective Assessment System for Individual Support (OASIS), the Division of Disability and Rehabilitative Services' (DDRS) Bureau of Developmental Disabilities Services (BDDS) will host two web-based trainings on Wednesday, February 4, 2009 and Thursday 5, 2009. Both of these sessions will be identical and participants only need to register for one of the two trainings offered.

The use of this Invoicing Tool is required for statewide RHS billing beginning January 1, 2009. It is highly recommended that all RHS waiver providers, and other interested parties, join us for one of these live online demonstrations. Each training session is scheduled for two (2) hours with submitted questions to be answered at the end of the presentation.
